

BOCKTOWN BEER AND GRILL'S SECOND LOCATION

Where is it?

Beaver Valley Mall, just off the Monaca Exit of Route 60, (now Interstate 376)
Between Macy's and JCPenney's

When will it open?

When we have the space completely remodeled and ready, we will let you know!
Our best estimate right now is in the Spring of 2010.

Are you going to do the same things? Will it be just like Bocktown in Robinson?

Of course! We will surely have different features and soups, different band nights and tasting days, but it will have at least as many taps and bottles, and the same menu. We will even have some of the same great people that have worked with us from the start, working there to insure that the 'vibe' is just right!

I want updates and grand opening information.

If you don't already follow us on Twitter and Facebook, do so... that is where the real daily conversations take place. We also send out a monthly email, enter your address in the upper right corner on our home page, tell us how you heard of us, and we will update you via email. We will be sending out grand opening invitations this way, too.

Can I be a supplier or vendor to your new location?

If you are a vendor or supplier for the restaurant industry, especially if you are a Buy Fresh Buy Local participant, please forward your contact information to us at Bocktown – Robinson, w/ Attention Bocktown – Monaca on the envelope. We have strong allegiances right now, but welcome new contacts, loyal Pittsburgh Pride partners, and any potential cost savings.
